Subject:—

Increased emoluments to Mr.C.Krishnaswami Rao, M.R.C.P.(London) Assistant Surgeon.

These papers relate to the representation of Mr.C.Krishnaswami Rao, Assistant Surgeon, who has lately returned from England, regarding his status and salary.

At the time of his deputation for foreign training, Mr.Krishnaswami Rao was an Assistant Surgeon in receipt of a salary of Rs.150 a month. In the Government Order of 7th February 1922, he was granted a loan scholarship of £250 per annum to enable him to qualify for the M.R.C.P.(London). Subsequently, however, the loan scholarship was cancelled and Mr. Krishnaswami Rao was awarded, with His Highness' gracious approval, a free Damodar Doss scholarship of £250 tenable for a period of two years, which was later extended by another year.

Mr. Krishnaswami Rao returned from England on the 8th August 1925 after obtaining the diplomas of M.R.C.S., L.R.C.P. and M.R.C.P. (London). Besides, he has undergone post-graduate courses in the special hospitals for diseases of the chest, heart and nervous system, as also a special course in Pathology and Bacteriology at the London Hospital. On his return from deputation, he was posted to the Krishnarajendra Hospital, Mysore, where he joined duty as Physician on the 12th August 1925.

Mr. Krishnaswami Rao has now submitted a representation setting out his special qualifications and praying that he may be given the status and salary corresponding to those of the Physician attached to the Victoria Hospital, Bangalore, who is a third class Surgeon on probation drawing a pay of Rs. 500 (during probation). In forwarding the representation for the orders of Government with his letter of the 18th September 1925, the Senior Surgeon explains why he is unable to support

the prayer of Mr. Krishnaswami Rao, but recommends the grant to him of a special allowance of Rs.150 a month in addition to his grade pay until such date as his pay plus the allowance amounts to Rs.550, after which the allowance may get reduced to the extent of the further increments earned by him.

When the papers came before me, I minuted that the proposal of the Senior Surgeon may be accepted as a temporary measure so as to give the young man some additional emoluments in view of his high English qualifications and suggested some further enquiries being made for enabling Government to fix pay in such cases.

The subject was considered in Council at its meeting held on the 26th November 1925. The Council was of opinion that, as there is no competitive examination in Mysore for Assistant Surgeons, the cases of our officers who obtain high foreign degrees may be considered on their individual merits, and the following resolution was accordingly recorded:-

"Mr. C. Krishnaswami Rao, M.R.C.P.(London) may be given a pay of Rs.280 per mensem in the first grade of Assistant Surgeons and an absorbable personal allowance of Rs.80 per mensem".

The recommendation of the Council may be graciously approved.

It may be remembered that it was stated at the Council Meeting that Jm Montaro was not a whole time Officer, & hence his supercession by Jm K Rao was allowed. ~~However~~ The fact, however, is that the G.O. makes him a part time Officer has not been cancelled & he is still a full time Officer as usually appointed (see Flags E and G) Hence there is no justification for Mr. Rao superseding him. As it is undesirable to reconsider Orders already passed, I suggest that he be given 2 advance increments drawing his pay 280 & pass just above Jm Rao & below Jm Hazim. This may be treated as an urgent matter & sent to Council for Diwan approval. Draft order Jm Rao has not cancelled. File put up.

N. B.—Should routine notes be written on small slips the notes must be cipoed, or slips pasted on this form.

Submitted to His Highness.

His Highness was pleased to approve of the proposals contained in the Council Resolution dated the 26th November 1925, stating that Mr.C.Krishnaswami Rao,M.R.C.P.(Lond.) may be given a pay of Rs.280 per mensem in the first grade of Assistant Surgeons and an absorbable personal allowance of Rs.80 per mensem. The Second Member points out that this would place Mr.Krishnaswami Rao over Mr.V.Monteiro and suggests that the latter officer may be given 2 increments so that Mr.Krishnaswami Rao may not go over Mr.Monteiro. The case of this latter officer is a special one. His work,which consists mainly in attending to dental cases in the Out-patients' Department,gives him ample time for private practice. Moreover it would not be possible to give him such work as would qualify him for the charges of Hospitals,etc,in the Department.

But giving Mr.Krishnaswami Rao an arbitrary position in the First Grade of Assistant Surgeons will involve a number of supersessions in that grade and lead to considerable discontent. I have received two representations already on the subject.

The matter was,therefore,further considered in Council who are of opinion that Mr.Krishnaswami Rao may be placed at the bottom of the grade,being given the same pay that the last officer in the grade viz: Mr.S.Ramachandra Rao,L.M.S. draws,that is, Rs.240 and his absorbable personal allowance raised from Rs.80 to Rs.120 per mensem,so that his total emoluments will be Rs.360 as per original Council resolution.

This recommendation of the Council may be graciously approved.

The Senior Surgeon will be requested to absorb Mr. Krishnaswami Rao in the next vacancy in the First Grade of Assistant Surgeons. Till then he may be treated as a supernumerary in the First Grade as against his permanent place in

in the Second Grade of Assistant Surgeons.

MYSORE MEDICAL DEPARTMENT

No. C. 391-6

Encl. 2.

OFFICE OF THE SENIOR SURGEON
WITH THE GOVT. OF MYSORE,

BANGALORE. 18th September 1925.

FROM B. Mahomed Usmon, Esq., L.M.S.,
Senior Surgeon with the Government of
His Highness the Maharaja of Mysore,
Bangalore.

To The Secretary to the Government of
His Highness the Maharaja of Mysore,
Local and Legislative Departments, Bangalore.

In forwarding herewith for favour of orders, a copy of a representation from Assistant Surgeon Mr. C. Krishnaswami Rao, M.R.C.P.(Lond), praying that his status and salary may be made not less than those of the Physician attached to the Victoria Hospital, I have the honour to state as follows:

A perusal of Government Order No. 502-3 C.B. 30-24-3, dated 25th August 1924, shows that it implies two distinct orders, one being the appointment of Capt. Shanta as a 3rd class Surgeon against a vacancy in the department and the other being his posting to the Victoria Hospital as Physician. The latter portion of the order merely amounts to his being given duties suitable to the special qualifications held by the Officer.

The entertainment of Capt. Shanta in the service as a 3rd class Surgeon to start with must have been based on considerations which are not known to this office. But there is this essential difference between the two cases.

Capt. Shanta did not obtain either his Indian or his European qualifications with the help of Government, whereas Mr. Krishnaswami Rao would not have been what he is but for the support of Government, both during his course in the Madras Medical College and in England.

Mr. Krishnaswami Rao was originally granted a loan scholarship in Government Order No. L. 4484-7 Med. 77-21-29, dated 7th February 1922 but was subsequently granted a free scholarship

scholarship for two years in the first instance in Government Order No. 3660-2 Edn. 17-21- dated 15th March 1922. It was then extended to three years in Government Order No. E. 32-24 Edn.55-23 dated 14th June 1924.

Mr. Krishnaswami Rao is, thus, entirely indebted to Government and it is, certainly, too much for him to expect Government to give him the status and pay of a 3 rd class Surgeon and allow him to supersede about 22 officers who entered service before himself.

The utmost that Mr. Krishnaswami Rao can claim according to precedents is a start on Rs.250/- which was given to Mysore scholars who returned with special English qu lifications. But this high start was fixed as far back as 1911-12 and continued till about 1917, Mr. D. S. Puttanna being the last officer who was appointed on that pay. Subsequent fresh appointments of men with English qualifications (including special qualifications) have all been on Rs.200. But even this special start has given rise to a considerable amount of discontentment.

I am therefore not prepared to recommend the prayer of Mr. K.rishnaswami Rao for any special promotion in supersession of his seniors in service and thereby add to the discontentment already existing in the department. As it is, his pay now will be Rs.190/- giving him the benefit of the annual increments he would have been entitled to had he been on active duty and not absent on leave in England. If he is considered to be deserving of any special remuneration on account of the special qualifications obtained by him, such remuneration may take the shape of a special allowance which may be fixed at Rs.150/- and which may be continued to him in addition to his grade pay without any reduction till such date as his grade pay together with the said allowance shall amount to Rs.550, the minimum pay of a 3rd class Surgeon, after which the allowance will get reduced to the extent of the further increments of pay earned by him. Or he may be given accelerated promotion by six months, as is the practice in the Indian Medical Service.

I enclose, in this connection, a representation received from Mr. P. R. Subba Rao, now in England, praying that he may not be

be made to be superseded by any of his juniors in the list. It speaks for itself.

I have the honour to be,

Sir,

Your most obedient servant,

N.N. Smith

Senior Surgeon.

From

C. Krishnaswami Rau,
Physician, Krishnarajendra Hospital, Myosore.

To

The Senior Surgeon in Mysore,

Bangalore.

Sir,

In pursuance of your order No. C. 391-1, dated 12th August 1925 I reported myself for duty at Krishnarajendra Hospital on 19th August 1925.

Since I have not yet received any communication fixing my salary and status after my return from England I beg to bring to your kind consideration the following points.

Before going to England I was a B.A., M.B., B.S., and was deputed for training in the Guindy Institute, Madras, and was then attached to the Victoria Hospital. I was also lecturer in Pathology in the Medical School (Two years) . As a second grade AssistantSurgeon and lecturer in Pathology I was drawing a salary of Rs.225/- (150 plus 75) and I should be now drawing (Rs.190/- plus 75) Rs.265. While in England I first took the M. R. C. S., and L.R.C.P., (Lond) diploma and later obtained the M. R. C. P., (Lond) diploma. In addition I took post graduate courses in the special Hospitals for diseases of the Chest, Heart and Nervous System. Also I took a special course in Pathology and Bacteriology in the London Hospital. I have sent the certificates from the Deans of these hospitals for your kind perusal.

I request you, Sir, that in forwarding my application to the Government you will be kind enough to recommend that my status and salary should be no less than the Physician attached to the sister Institution, Victoria Hospital, Bangalore.

I beg to remian,
Sir,
Your most obedient servant,

sd. C.Krishnaswami Rau,

Mysore,

The Senior Surgeon

Sir,

I have the honour to submit that when Capt Shantha was taken to Medical Department as a Surgeon III grade, I represented to the Government that I, a medical graduate of an Indian University had been superseded for no fault of mine, that such a supersession had become more and more common for the last few years and this procedure would damp the spirits of local graduates, who have, ever since the department was started, tried their best to work honestly and to give satisfaction to their superior officers and to the Government and have successfully filled ~~the~~ high~~est~~ posts in the Department.

I beg to submit that any average man with a local University qualification and with the excellent teaching facilities afforded to studdnts in this country can obtain any qualification, if equal encouragement is given to him by our benign government and a high qualification is not the only criterion to a high post and to supersessions of the overworked and perhaps more deserving men. I also beg to state that D.O.M.S. or D.P.H is as much a special qualification in Ophthalmology or Public Health as M.R.C.P or F.R.C.S. is a special qualification in Medicine or Surgery and pray that my claims should abso be justly considered by the Government and that I should not be superseded by my juniors on the score of their possessing a foreign qualification.

In this connection I venture to point out that on previous occasions when medical men with foreign qualifications were about to be recruited direct to the higher post, those that possessed some foreign qualifications and were already in service protested and the Government favourably considered their claims.

I therefore humbly pray that my representation will be justly considered by the Government and I will not be made a sufferer another time. I am prepared to fulfil any condition which the government is imposing on me as regards specialisation in my subject.

I have the honour to be, Sir,

Your most obedient Servant,

P. R. Subba Rao.
